Main provides users with advance notice of production software changes. Although our goal is to make the software changes on the planned date, there may be some circumstances due to unforeseen problems, where the software changes may be delayed. If this occurs, the MAIN Help Desk will be notified and the Help Desk message will be updated accordingly.

The following software changes will be in production on May 9, 1996:

SIMULTANEOUS ACCESS BY TWO USERS PREVENTED ON R(STARS 42 SCREEN

Screen 42 (local payment request) was modified to prevent problems caused by two users simultaneously accessing the same record.

PAGE NUMBER TRUNCATION PREVENTED

Modifications were made so that page numbers on the DAFR8680 and DAFR7470 no longer truncate when the page number is greater than 99,999.
